## WELCOME TO THE NEW FACE OF SUNDAY SCHOOL

**The material you have in your hand is the new, revitalized *Apostolic Light*.** This is the PAW's own material – and it has been our material for 40 years! Surprised? Well, that's why we've partnered with a seasoned publisher to create a product we can be proud of and that helps us reach the mission that Bishop Francis Smith, Suffragan Bishop Edward Sofer, and the PAW Sunday School Board developed in 1970.

**This material is Apostolic** – Our **PAW Review Board** ensures that each lesson focuses on baptism in Jesus' Name, the indwelling of the Holy Ghost and the knowledge that Jesus is Lord and God. Our doctrine is clearly incorporated into all materials at all levels.

**This material is Bible-centered** – It represents good Bible **scholarship** and thorough study of God's word that will prove very helpful for busy teachers of all age levels.

**This material is relevant** – It presents ideas, stories, questions, and answers that will help saints of all ages and backgrounds cope with the **real life** situations they face in today's world.

**This material is timely** – It will not only arrive in plenty of time, but it addresses issues and presents information that is timely regarding PAW events.

**This material is supportive** – We want to expand our *Apostolic Light* brand to provide our own supplemental materials; but until then, we can offer you teaching kits for all levels.

**This material comes with training** – Our partnership provides leaders for **workshops** in your council or region. Just give a **call to the PAW office** and we can get that going for you.

**This material will grow as we grow** – We want to include PAW teen writers as well as pictures and more stories about and by PAW members. To do this we must meet **our goal of providing 10,000 Sunday School books** to PAW churches **by September 2010**.

The PAW Publishing Board has done its part to bring you a quality product and **no other company can provide what your own PAW is doing**.

Now we need your help. We're getting close to our goal, but **we need every PAW church to be a partner in this venture**. Here's how you can help.

1. Review these materials; share them with your pastor, Sunday School leadership and members.
2. Order student and teacher books for all age level classes – and supplemental materials as well.
3. Complete the attached questionnaire to give us your feedback – mail it or visit: [www.pawinc.org](http://www.pawinc.org).
4. We know two things: The Holy Ghost is leading us – and we need your prayers and help!

If we work together and pray for one another, *Apostolic Light* can be what God ordained and what our founding fathers envisioned.
